

# Lake School Summer Reading - 2017

Welcome to summer, it's time to read!!! This year's Summer Reading Program will start on Saturday, June 10th and end on Tuesday, August 8th.

Each day this summer your child will record the number of **minutes** they read each day. It's that simple. Just read and record. This sheet is to help you remember how much you read each day. Don't forget to record your minutes online at [www.lakeschool.org](http://www.lakeschool.org) on the summer reading form at the end of each week!
